1. Who can see that which I am doing with a man whose only quest would receive what I would do with one given totally to him/to Me; one who would be still/be quiet/follow My voice; for **am I anything but My voice; or am I more? And is that more available to those who will come into Me and know My voice, do as I do, be as I am?**

2. Who can see what I am doing with one sold out to Me, one who is not afraid of My voice, My appearing/My appearance; listening and learning that I am so very different than thought previously?

3. Who can see what I am doing? Who can see what I am doing? Who wants to see the real, that which now I bring into view, full view/full view of those who love Me and want My appearing. And My appearing is where; in the heavenlies/in My body. I love you and I give you Me.

4. See that I have said much in few words and do on occasion; smile. And love Me more and see that all I have said true; and in your hands/be. I give you Me. Behold the day of My appearing in you/My sold out to Me. And who will come into Me for My appearing in them; not like they thought; not as they were taught; not as they have sought; but yea all is before Me and before you and in you, and in those who want Me; and will birth Me forth in the fullness of: Thy Kingdom come; Thy will be done; I shall not want; Making themselves of no reputation.
It's all there.
I am all there.
And where are you? You choose and your choice dictates/reigns.

Come into Me for My all if you're willing.
Good day
